I just spoke with my manager, Kieran and apparently he already got this information from Zach. So we are all set on Zach's availability for the hearing. We are in the midst of transitioning this case from Kieran to me, thus the confusion. You may disregard my message below!

Hello Mr. Islam – I just left you a voicemail. As you may know, Zach has been authorized to participate in an Oregon DEQ hearing regarding Regional Haze requirements and the application of the EPA Controls Cost Manual (see attached). We have a scheduling conference with the administrative law judge today at 1pm and I realized I don't have Zach's availability.

Could you either call me back any time before 1 pm (503-979-5421) or have someone take a look at his calendar and send me any dates during the months of January, February or March 2022 where you can tell that he could NOT participate in a hearing?

Sorry for the last minute nature of this request, and thanks in advance for your assistance.

Becka
